

WELCOME TO COO-VAR'S SUMMER NEWSLETTER 2017 Successful Pro-Netic Launch into the Market!

Firstly we hope the start of 2017 has been a successful one so far. Earlier in the year we mentioned a new launch of our water based magnetic chalkboard paint. This has now been launched successfully with lots of interest in the commercial markets. You will find our Pro-Netic stocked at independents and throughout our merchant network. For more information contact info@coo-var.co.uk or visit <http://www.coo-var.co.uk/specialised-paints/magneticchalkboardpaint/>. Further to this Coo-Var have released their new and improved Solar Reflective Aluminium Paint. A bituminous based aluminium paint

that gives a highly reflective metallic finish. It is designed to reflect and dissipate heat and sunlight on roofs resulting in a reduction of heat build-up. You can apply direct to roofs including flat roofs. Available in 5 litres and 25 litres, it is suitable

for felt, asphalt, wood, brick & concrete. Ideal for large commercial contract work as well as for residential property.

We love to have feedback from all our customers, if you do have any good or bad then feel free to call or email us. We recently had a customer quote the following, thank you:

'Dear Jenny (Technical Administrator)

I am just writing to say thank you for all your help, all the information you sent me was great I will be buying it for my balcony. You have go to a lot of trouble to send this to me.

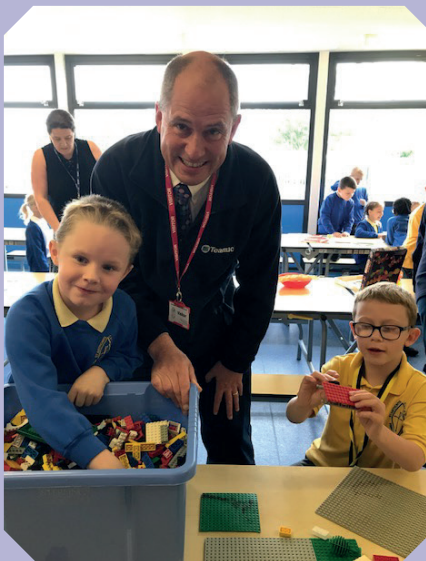

Thank you, Betty Suthers (Customer)''

Coo-Var Partnership with the

Teal & Mackrill have recently joined up with the Greggs foundation to provide a breakfast club to a local primary school in Hull for the next two years. The Breakfast Club programme was established in 1999 to help primary school children have a nutritious start to their school day. Every school is provided with fresh bread from their nearest Greggs shop, and a grant to support start-up and ongoing costs.

From Wednesday 7th June each child at St Anthony's Primary School in Hull has the option to have nutritious breakfast and play games before school. This ensures all the children have a good breakfast before they start school enabling them to concentrate better, have improved health and nutrition whilst also socialising and making new friends.

Lynne Hindmarch from the Greggs Foundation stated "I just wanted to say a special thanks to you all at Teal & Mackrill for your sponsorship for St Anthony's. We are extremely fortunate to have this partnership as it allows us to support families who are in the greatest need. We really appreciate all you have done to support us on our journey together. I hope you enjoyed your visit and you have a wonderful relations with the school."

Teal & Mackrill are looking forward to working with the school & building long lasting relationships with the children. For more information on what's involved, please contact us at info@coo-var.co.uk.

Time Restraints? No Problem For Coo-Var!

Coo-Var were specified on this project due the restriction in the time available for painting. Proflor Plus Hardening is a quick drying heavy duty solvent free floor paint. Ideal for use in factories or warehouses where shut-down time is to be minimised, two coats can be applied in one day. Aggregate was also added for slip resistance near the loading bay.

- Project:** Unit 42, Rassau Industrial Estate, Ebbw Vale
- Details:** General Repair and redcoration of the factory warehouse floor.
- Products:** Coo-Var Dampshield
Coo-Var Proflor Plus Fast Hardening Flint Grey plus aggregate for slip resistance
- Client:** Sears
- Completed:** July 2016

50 Year Members of the BCF

Teal & Mackrill were honoured to receive a 50 year membership award from the BCF in May. The award was to recognise our continued commitment in the coatings industry. The award was presented At the BCF's 2017 Annual Conference in May.

"We are pleased to have received this award, at Teal & Mackrill we continuously strive to ensure we are up to date with changing legislation in the industry and could not achieve this without the continued support of the BCF" Stephen Moore, Company Secretary commented.

New Sales Team Appointment for Coo-Var

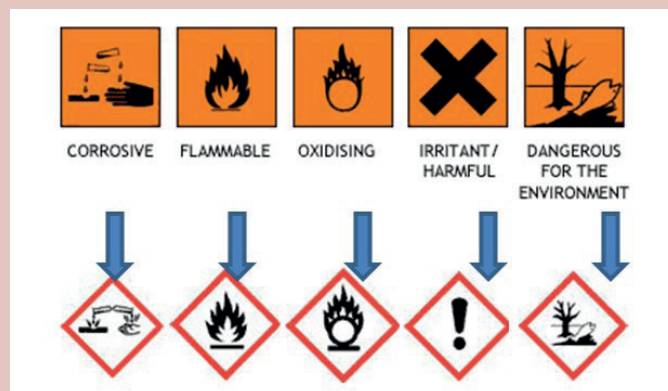

Further to Coo-Var's continued investment into the Brand we have recently appointed John Pargeter to the sales team. John has vast experience in the coatings industry so you may already know him! John will be covering Wales and Birmingham and will be planning visits very soon. Should you wish to contact him to arrange a visit his email is john.pargeter@coo-var.co.uk or mobile 07841 437479. John will be a valued member of the team and we wish him every success in his new role.

CLP Legislation

As you will all be aware the CLP Regulations (Classification, labelling and packaging) are now fully in force as from the 1st June 2017.

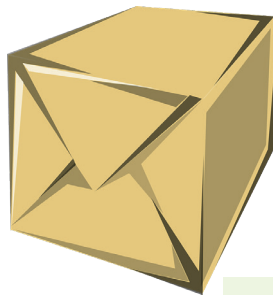

All of the Coo-Var labels were changed to the new regulations from January 2015. The image below shows what the hazard boxes used to look like and how they should do now:

Should you require any labels with the new hazard labels then please contact info@coo-var.co.uk with the product name and size. Or for more information from the HSE visit <http://www.hse.gov.uk/chemical-classification/legal/clp-regulation.htm>

Customer Services Reminder!

Due to our carriers change in policy there is now a requirement that if there any damaged or missing goods the courier will have to be informed of within 24 hours of receipt. Anything over 24 hours you will be charged! All our Delivery notes now state the following:

“ALL CLAIMS FOR DAMAGE TO OR PARTIAL LOSS OF ITEMS IN TRANSIT MUST BE NOTIFIED WITHIN 24 HOURS”

Events for the Diary!

Scottish Decorators National Exhibition
Saturday 28th October 2017

The National Painting & Decorating Show
28th to 29th November 2017 at the Ricoh
Arena, Coventry

In 2018 Teal & Mackrill will be hosting a factory open day, with talks on protecting neighbourhoods, Brexit, industry legislation, innovation & new products. To register your interest to visit please email danielle.dutton@coo-var.co.uk.

Social Media

Coo-Var are more active on social media than ever now and we even have our own Instagram account!! You can contact us via Twitter, Facebook or Instagram for any questions you may have, Should you wish to show us your work then feel free to send it in to us.

Look out for promotions and give-aways!
