PAINTS, PRIMERS AND SPECIALISED COATINGS

## Case Study: The Star and Garter Car Park London

**Project: The Star and Garter Car Park London**

**Products used: Profloor Plus**

**Product Functions: Profloor Plus is a solvent free, low odour exceptionally hardwearing floor coating for heavy duty use. It has outstanding resistance to abrasion so is ideal for use in factories, workshops/garages, stadiums and other high wear public places. There is an Anti-slip additive available.**

**Project Completed: 2017**

COVERING OUR CUSTOMERS' NEEDS SINCE 1908
